Mexico Tactical: Firefighting operations ongoing in Mexico City's Morelos neighborhood as of overnight hours (local time) on November 13-14; maintain vigilance

Please be advised

- According to local reports, firefighting operations are ongoing on Calle Panaderos in Mexico City's Morelos neighborhood after an alleged gas explosion took place during the late night hours (local time) on November 13.
- At least a dozen people have been injured.

Recommendations

Those operating or residing in Mexico City on November 13-14 are advised to maintain vigilance in the vicinity of the Morelos neighborhood due to ongoing firefighting

operations.
