Please be advised:

- According to Algeria's state news agency, the authorities have imposed a night curfew in the following provinces: Adrar, Algiers, Batna, Bejaia, Blida, Boumerdes, Constantine, El Oued, Jijel, Laghouat, M'Sila, Oran, Ouargla, Setif, Sidi Bel Abbes, Tebessa, Tipaza, Tizi Ouzou, and Touggourt.
- The curfew will be implemented every night between 00:01 (local time) and 04:00 from May 1-22.
- These measures have been taken to contain the spread of COVID-19 in Algeria.

Recommendations:

1. Those operating or residing in the aforementioned 19 provinces of Algeria between May 1-22 are advised to adhere to government instructions and take precautions to ensure business continuity due to the revision of the night curfew.
2. Remain abreast of local authorities' updates due to the potential for further amendments to COVID 19-related restrictions in the country.
