Recommendations:

1. Those operating or residing in central Israel on March 24 are advised to adhere to all safety precautions regarding early warning sirens for incoming rockets.
2. When a Color Red siren is sounded: If a designated shelter exists, immediately go there. In “Mamads” (residential secure spaces) Make sure to lock the outer steel window of the room (and not only the glass window), as well as the steel door of the safe area, to ensure safety.
3. Approach the safe area calmly and remain cognizant of the fact that many injuries occur when people are running to the shelter panicked.

4. If such a designated Mamad does not exist, go to a room with as few external walls, windows, and openings as possible, sit on the floor below the window line, and near an internal wall.
5. In an open area, lay down on the ground and cover your head with your hands.
6. When driving, safely pull over and check your surroundings before vacating your vehicle and following the above instructions.
- 7.
