Turkey Tactical: Dardanelles, Bosphorus Straits closed to traffic due to fog during morning hours on February 1; allot for disruptions

Current Situation:

- According to Turkish state media, the Dardanelles and Bosphorus Straits have been closed to maritime traffic in both directions due to dense fog during the morning hours of February 1 (local time).
- Ship traffic is expected to resume once the weather conditions improve.

Recommendations:

1. Those operating vessels through the Dardanelles and Bosphorus Straits during the morning hours on February 1 are advised to allot for disruptions to business continuity, including delivery delays, due to the closure of the strait in both directions.
2. It is further advised to remain cognizant of authorities' updates.
