Current Situation:

- Emerging reports indicate that armed clashes are ongoing near Tripoli's Central Bank of Libya (CBL) during the morning hours (local time) on May 14.
- Videos of the incident circulated on social media indicate that gunfire was recorded near the site.
- Additionally, a shell reportedly impacted the Dhat el-Imad Complex near the Coastal Road.
- Residents of Zawiyat al-Dahmani and al-Dahra reportedly appealed to the Libyan Red Crescent to provide safe corridors for emergency evacuations.
- According to an unconfirmed report, the clashes are taking place between Brigade 444 and the RADA Special Deterrence Forces.
- Further reports indicate that clashes have been ongoing since the overnight hours in Tripoli's Zawiyat al-Dahmani area. Footage from the incident depicts civilians' vehicles on fire as result of the clashes.
